

CAROUSEL

22 Aughtie Drive, Albert Park Lake, Vic
Friday August 28 2009

This year's meeting will focus on current thinking of controversial anaesthesia issues. We have a host of relevant local and interstate experts to educate and interact with you.

The meeting is held at Carousel which is one of Melbourne's most prestigious and iconic venues only 5 minutes from the Melbourne CBD. Located on Albert Park Lake, it has uninterrupted views of Melbourne's city skyline.

Carousel has a ticketed car park outside the venue with plenty of car spots available. Parking tickets can be purchased for \$8 when registering on the day.

This meeting is fully funded by registrant subscriptions; we have not accepted any industry sponsorship.

Registrants with dietary concerns should call Louvella D'Souza during the week preceding the meeting. Alternative meals can be arranged; there may be an additional charge for this.
